HSSE POLICY STATEMENT

The management of BLUFAIS NIGERIA LIMITED is committed and has adopted this policy which will addresses the Health, Safety and Environmental risk to our operations and the potential to impact on our host communities and staffs with strong management commitment at the highest level. This policy reflects good working practices and shall be made mandatory.

Therefore, it shall be our policy to:

- Continuously pursue the goal of no harm to people and the environment.
- Manage HSE matters as a critical business activity.
- Promote a culture in which all BLUFAIS NIGERIA LIMITED employees share this commitment.

STATEMENT OF QUALITY

- ©BLUFAIS NIGERIA LIMITED is a highly technical company that has reaped dividends from the maintenance of first-class quality services nation-wide. Only by strict adherence to this tradition of excellence have we been able to retain multi-national oil & gas companies and others listed as our customers.
- ©BLUFAIS NIGERIA LIMITED primary objectives is to provide our customers with the highest quality services while promoting the best possible standard of employee welfare, safety, and environmental compliance, in support of this objective we will observe the following principles:

- Our work will be performed on a competitive pricing basis throughout Nigeria and world-wide. While we will attempt to be as competitive as possible in our bids, we will not compromise our standards “to get the job”.
- We will attempt to hire and maintain Nigerian workforce throughout the country and local economy by paying top wages for skilled craftsmen. Where skilled local labour is not available, we will continue to provide labour drawn from international pool of skilled workmen, paying travel and per diem necessary to support the job.
